Young County 4-H 2018-2019

The decision has been made – the kids are joining 4-H. But how? You may be new to town and not know anyone who participates in the program. So what should you do? The easiest solution – call the Young County Extension Office at 940-549-0737. We will direct you to a club that will be close to you and provide you with the appropriate contact information for the leader of that club.

You should then contact the leader and discuss the club's activities and programs to ensure that it will be a good match for your family. The club leader will also assist you in completing the on-line registration process. You may also decide that the family adults should become involved and the club leader can assist you with information on such roles as well.

It's County Fair Time!

Entries due to the Young County Arena on Tuesday, January 8, 2019 between 5:00-7:00pm. Judging will take place on Wednesday, January 9th. Showcase opens for viewing on Thursday, January 10th and Friday, January 11, 2019. See rules & guidelines for additional details.
